The distance from Poughkeepsie in a direct line to the various cities that will be connected by direct through Railroad communication on the completion of the Poughkeepsie Bridge.

Note.—By comparing this map with a standard U.S. Map the location of the cities and distances from Poughkeepsie, will be found to be correct.

Explanation.—Line of the only present Railroad Route from Scranton and the Coal Fields to Springfield, Hartford and New England.

NOTE.—The above are air line distances and must not be mistaken for Railroad distances, which are given on 10th page.
