PART II.

STRAINS IN GIRDERS AND SIMPLE TRUSSES.....	97
Action of Forces on a Beam.....	101
Bowstring Girder, Strains in.....	138
Compound Girders.....	113
Compound Girders, Riveting of.....	115
Composition and Resolution of Forces.....	120
Fink Truss, Strains in.....	137
Forces represented by Lines.....	121
Formula, Practical Application of.....	107
Flange Beams.....	109
Flange Beams, Moment of resistance of.....	111
King Post Truss, Strains in.....	122
Lever applied to Bridge Strains.....	97
Loading, different Conditions of.....	105
Principle of Moments.....	90
Queen Post Truss, Strains in.....	124
Solution of Strains by the Principle of the Lever.....	97
Strains solved by Lever alone.....	97
Strength of Rectangular Beams.....	103
Table of Moment of Resistance of American Beams.....	112
Triangle of Forces.....	121
Trusses, Strains in.....	119
Warren Truss, Strains in.....	132
Web, Stiffness of.....	117
Working Value of Rivets, Table of.....	118
Whipple Post Truss, Strains in.....	127
