GESENIUS. BAGSTER'S COMPLETE EDITION OF GESENIUS

HEBREW AND CHALDEE LEXICON. In large clear, and perfect type. Translated and edited with additions and corrections, by S. P. Tregelles, LL.D.

In this edition great care has been taken to guard the student from Neologism tendencies by suitable marks whenever needed.

"The careful revision to which the Lexicon has been subjected by a faithful and orthodox translator exceedingly enhances the practical value of this edition."—Edinburgh Ecclesiastical Journal.

Small 4to, half bound ........................................... $7.00

*BAGSTER'S.

ANALYTICAL HEBREW AND CHALDEE LEXICON.

With an Alphabetical Arrangement of every Word in Old Testament, &c., &c. By B. Davidson. 1 vol, small 4to, half-bound ........................................... $11.00

NEW POCKET HEBREW AND ENGLISH LEXICON.

The arrangement of this Manual Lexicon combines two things—the etymological order of roots and the alphabetical order of words. This arrangement tends to lead the learner onward; for, as he becomes more at home with roots and derivatives, he learns to turn at once to the root, without first searching for the particular word in its alphabetical order. 1 vol. 18mo, cloth ........................................... $2.00

"This is the most beautiful, and at the same time the most correct and perfect Manual Hebrew Lexicon we have ever used."—Eclectic Review.
